Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. § 1.97(b)(3), i.e., prior to a First Office Action on the merits.

Attached are copies of five Japanese patent publications, which were cited in the attached Japanese Office Action dated June 15, 2004, and from which any relevance of the publications may be gleaned. The Action was issued by the Japanese Patent Office in connection with a Japanese counterpart application and discusses these publications. Also attached are English-language abstracts of the publications, from which any further relevance of the documents may be gleaned. The publications are listed on the attached Form PTO-1449.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a

counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed before a first office action on the merits, no fee is required, and the requirements of 37 C.F.R. §§ 1.97 and 1.98 are deemed to be fully met as to all listed documents. Consideration of the listed documents is respectfully requested.

Respectfully submitted,
